LITTLE LEAGUE
NEEDS MOKENA
TO PLAY BALL

The Mokena Little League will begin their ball season in the new park site, as soon as school is out for the year. Expectations are for four Little League teams and two Pony League teams this year.

There are approximately 30 applications from boys from 8 years to 12 years of age whose thirteenth birthdays occur after August 1, 1954.

Hopes have been high for donations of enough money to purchase at least a partial uniform this season, but organizations so far have not been generous in this respect.

Uniforms which would consist of a jersey shirt, cap and socks would cost about \$3.75 per boy. Other equipment such as bats, baseballs and catching equipment are also needed.

In the past the boys themselves contributed \$56.00 and a donation of \$50.00 was made by a well wisher.

Mokena citizens' support is urgently needed. The teams need help in raising funds.

Coaches who volunteered this year are: George Haehnlein, Henry Clark, Alvin Sorensen, John Porich and George Bennett.

Practice started last Saturday, May 22 and will continue to June 12. Regular games will begin on that date and the teams will play 12 games each for 9 weeks.

The young ballplayers are lined up as follows: Mokena Sox: Kenneth Lorenz, Mark Muehler, Wayne Lauffer, Charles Florey, Sandy Westman, Raymond Lorenz, Allen Schult, Douglas Porich, Ronald Teague, Ronald Radtke, Tom Marcoux, Tom Williams with Al Sorensen as manager.

Mokena Cubs: Gordon Richardson, James Roberts, Lee Yunker, Gerald Haehnlein, Wayne Eggert, E. Dan Carroll, David Ford, Ronald Yunker, Ronald Tischer, LaVern Johnson, James Gerrard and George Haehnlein as manager.

Mokena Braves: Gerald Dougherty, Dennis Porich, Ronald Robertson, Hal Halverson, Frederick Pretzel, Robert Munch, William Seavertson, Allan Creer, Billy Sears, Bill Anderson, David Hall and Henry Clark, manager.

The Pony league practices every Friday night at 6:30 pm. and Saturday afternoon at 2:00 pm. in the new park. The Little League practices every Saturday at 10:00 a.m. and Mondays at 6:30 pm.

Large Crowd at
Frankfort Church
Dedication Sunday

Dedication of the Educational building, a new addition to St. Peter's Evangelical and Reformed church in Frankfort, took place Sunday at 3:00 pm. before a large audience of grateful worshippers. Rev. Erich Bizer, pastor, was in charge of the services, and the congregation participated by responsive reading.

Rev. Robert Klepper of Prospect Heights, read the Scripture Psalm 131 and the Junior choir sang "God's House."

Mr. Clark Bennett of the Building committee made the presentation with the request that the building be dedicated to the high purpose for which it was intended. Rev. Bizer responded and near the end of the service gave the dedicatory prayer.

Mr. Carl Johnson sang "Bless This House" and the Rev. Herbert Bloesch, Chicago, president of Northern Illinois Synod gave the sermon, which was followed by "Break Forth Into Joy," an anthem sung by the adult choir. A supper of potato salad, cold meats, relishes, buns, coffee and cake was served.

Golden Wedding Day
Is Shining Success

Immanuel Lutheran church, Mokena, was the scene Sunday, May 16 of a festive Golden Wedding celebration for Mr. and Mrs. Albert Hellmuth, long time residents of the area. Over 200 guests were present to enjoy the commemoration of the half century mark for the happy couple.

Among the mementoes and cards received were a congratulatory letter from Governor and Mrs. William Stratton, and a lovely card from Mr. Joseph Hartley, County clerk of Will County. A guest book, provided for the occasion, quickly filled, and included the names of Mrs. Hellmuth's nieces and their husbands from St. Louis, Missouri, Mr. and Mrs. Rudolf Meyer and Mr. and Mrs. Joseph Wazer, who enjoyed the family dinner provided for relatives and friends at the Hellmuth home just prior to the open house reception.

The church dining room was decorated with yellow and white streamers, from which hung white bells in abundance. Huge bouquets of yellow tulips were on each white lined covered table, and white candles in crystal candelabras, each with a sheaf of gold inside with the numerals "50" in gold added to the lovely decor.

Mrs. Lucille Long cut the four tiered wedding cake at the reception and the Ladies Aid of the church served.

The Hellmuths received many beautiful gifts and were greatly pleased with the kind thoughts of their many friends.

FRANKFORT TO
HONOR HEROES

Memorial day celebration will be held in Frankfort Monday afternoon May 31, starting at the school at 1:30. From there a line of march including the school band, will be formed and go to the village hall, where a wreath will be placed at the honor roll, followed by a few appropriate words being spoken.

From the hall the group will march to the cemetery where the soldiers who gave their lives for our country will be recalled through the roll call. The school children will sing several songs and will decorate the soldier's graves.

Following the cemetery service, the march will return to the school where services will be held in the gym. A speaker will be heard, the school children will take part as well as the school band.

The WSCS of the Methodist church will have a stand on the school grounds, serving pie, ice cream bars, cold drinks, candy and pop corn. The committee in charge is requesting donations of home made candy from as many as possible.

The Women's guild of St. Peter's Evangelical church will serve their usual Memorial Day supper in the church parlors following the school program.

Memorial Day

On Memorial Day our thoughts go back, To the loved ones who have gone.

And we remember the things they did.

That no one else has done. A certain voice, a tender smile, A thoughtfulness all their own. That we remember and think about.

When we are all alone. Surely there must be a reason why.

God gave us a chance to love. Those certain somebodies, whom He chose.

To live in Heaven above. They made our lives much fuller And as we pause in prayer, We'll remember when we leave this earth.

Somebody will be waiting there. Hazel Adelman

"High-Priced" Mistake

Maybe you noticed the big "ad" Red Smith's Furniture Store ran in *The Clarion* last week.

One item caused some embarrassment around here. It read: "4-piece Bedroom Suite, regular price \$119.50, bargain price \$119.50." Guess I didn't "proof-read" too well, and when our pressman asked for the go-ahead, I yelled, "Let 'er go."

All kinds of jokes about the mistake. One fellow asked if Smith's was holding the price line so tight it just snapped. Turned out fine in the end—Red

sold that suite for the real sale price, of course.

From where I sit, it's lucky my carelessness didn't cost Red any business. I'm the one who's always "experting" on being careful—careful of our responsibilities, careful of our neighbors' rights. Even careful to respect the other fellow's preference for a glass of beer. Let's all make a bargain to be more careful in the future.

The annual school picnic will be held Sunday afternoon, June 6 in the beautiful Messenger woods. The picnic is to be potluck with each family contributing one dish to the festive board.

Those who remember last year's picnic with its competitive games and races, all planned to give equal pleasure to the different age groups, even to the mothers and teachers who cast aside their dignity long enough to engage in a shoe kick contest, and the fathers who did a little extra puffing to keep up with the young fry in the exciting ball game which concluded the days program, will look forward to this year's picnic with anticipation. A Sunday date has been set for the picnic for the convenience of those parents who might not otherwise be able to attend.

June 4 is expected to be the last day of school for Maue's children before the summer holidays. Maue's PTA president, Mrs. Chester Williams, was elected regional vice president for this area of the newly organized Carl Sandburg high school PTA, at the meeting held in the Orland school Monday evening.

Mrs. Chester Williams, outgoing president of the Maue PTA, and Mrs. Charles Henning in coming president, attended the council school of instruction for the southwestern area PTA, district 19, held at the New Bremen High school, Tuesday evening.

Jimmy Walker's classmates and teacher, Mrs. Helen Lembke helped him observe his birthday with a party at the school Wednesday afternoon. Jimmy was delighted with the gift given him by the group and all enjoyed the cake provided by Mrs. Walker.

Mr. and Mrs. Sigmund Bukowski entertained at a family gathering honoring the tenth birthday of their son, Paul, Sunday.

The presence of their children made the Ernest Show home the scene of a lively family gathering Sunday. Sons and daughters present were their daughter, Mrs. Herbert Schumacher, Dennis, who resides with them, Mr. and Mrs. George Druktenis of Rose land; Mr. and Mrs. Cliff. Show, Harvey; Mr. and Mrs. Lloyd Froehner and family, Peotone; Mr. and Mrs. Clayton Show and family, Matteson, and Mr. and Mrs. Ralph Show and family of Palos Park.

Mrs. Gene Neslund and family of Wheaton were also present. Mrs. Herbert Schumacher is looking forward to seeing her husband, A-1c Herbert Schumacher, who is expected home Wednesday. He has been stationed with the U. S. forces in Alaska.

Sunday afternoon guests of Mr. and Mrs. Roy Walker were his sister, Miss Carol Walker, and Vic. Noer, both of Chicago. Sunday supper guests of Mr. and Mrs. Roy Walker were her parents, Mr. and Mrs. Gerrett Cummins, her sister and family, Mr. and Mrs. Dean Taylor, the twins, Don and Deen. Also present were his parents Mr. and Mrs. Art Walker, his sister and family, Mr. and Mrs. Ray Walker, Dolores and Timmy, all of Chicago. The occasion was in further observance of Jimmy's birthday.

Remember the square dance, sponsored by the aue PTA, to be held in the school Friday, May 28 at 8 p. m.

Six of Maue's students will graduate in the exercises to be held in the Orland school Thursday evening June 3. They are Sharon Lauffer, Sandra Felsch, Beverly Gale, John Janulis, Daniel Turay and Louis Schmidt. Sandra Felsch will play an accordion solo.

It is reported that Maue's upper grade students netted a fine return from their magazine sales.

Good Attendance At Cooking School

Frankfort school gym was filled to overflowing Tuesday night when the Melcher's grocery store in conjunction with Swift and company sponsored a cooking school. The instructions and tips in cooking given by Martha Logan were most enjoyed.

During the day hand bills advertising the school, were dropped from a plane flying over Mokena, Frankfort, New Lenox and Manhattan. Swift's made a tour through these towns in the afternoon with several of their red autos, drawing attention to the cooking school.

There were many prizes awarded to those present.

Three Boys Settle

A settlement was reached this week on behalf of three Frankfort youths who were injured April 7, 1953, in a two car accident north of Mokena, with the agreed sum of \$5,200 to be divided between: 17 year old Paul Blaylock, 108 Oak street, through his father, Bilbo; 16 year old Richard Henk, through his mother, Mrs. Edna Frankenberg and Martin S. Patrick, 16, thru his father, Martin W. Patrick. All live on route 1, Frankfort.

Herman Deininger, of Peotone named defendant in the companion suits filed last summer, will make payment of the settlement which stemmed from two suits which originally asked \$46,000 damages due to the crash.

The boys charged they were injured seriously when the vehicle in which they were riding with Blaylock was struck by the Deininger machine.

CARD OF THANKS

I would like to publically thank all the people of Mokena, for the wonderful way they supported the Boy Scout troop and made their attendance at the camporee possible. The support of the troop committee, transportation for the Scouts, donation of baiter twine by Mr. Swanberg, co-operation of all the Scouts, and most of all the consent and help of the parents were the things that were necessary to make the past weekend a success. Again I say thank you all very much.

A. O. Omland, Scoutmaster

Just as the sun was beginning to peep over the horizon last Friday morning, thirty seven boys and girls, with their teachers Mrs. Davidson and five mothers as chaperones left Ann Rutledge school for a trip to the city. At Don McNeill's Breakfast club Marjorie Hermanek and Alfred Gotter got a chance to make their first appearance on television. Robert Smith won a set of Sheffield scissors which compensated for his loss of some money. The trip to the Northern Trust company was in formative and made pleasant by an employee Mr. Roland Bradley an uncle of our own Pat and Norman. Souvenirs of calendar banks were given to each member of the party. Lunch at the YMCA was made especially enjoyable because we were allowed private dining rooms.

To those who had never been to the top of a high building, the one at the Board of Trade was thrilling. We stopped for a few minutes to watch the buying and selling of grain and then on to Marshall Fields where we caught a glimpse of the largest store in the world. The ride home was a restful climax to a full day of sightseeing.

A Father and Son banquet will be held in the parlors of the Calvary Baptist church Thursday evening, June 3 starting at 6:30. It will be a ham and sweet potato meal; there will be good music and fellowship. Reservations are to be made with either Mrs. Gordon Letts, Frankfort 3215 or Mrs. Otto Neidringhaus, 4284.

ROUND

Watch your cattle eat round baled hay, packaged exclusively by ROTO-BALER. You can tell immediately how well they like the better quality, cured in round bales.

Examine one closely and see why. The hay is fluffier with more nutrition-packed leaves rolled inside. Livestock eat it readily right from the bale, saving labor.

And it costs less to bale, too. It's wrapped with inexpensive binder twine — field travel is reduced by picking up big double windrows. Get ready now. Hay time will soon be here.

ROTO-BALER is an Allis-Chalmers trademark.

ROUND

Watch your cattle eat round baled hay, packaged exclusively by ROTO-BALER. You can tell immediately how well they like the better quality, cured in round bales.

Examine one closely and see why. The hay is fluffier with more nutrition-packed leaves rolled inside. Livestock eat it readily right from the bale, saving labor.

And it costs less to bale, too. It's wrapped with inexpensive binder twine — field travel is reduced by picking up big double windrows. Get ready now. Hay time will soon be here.

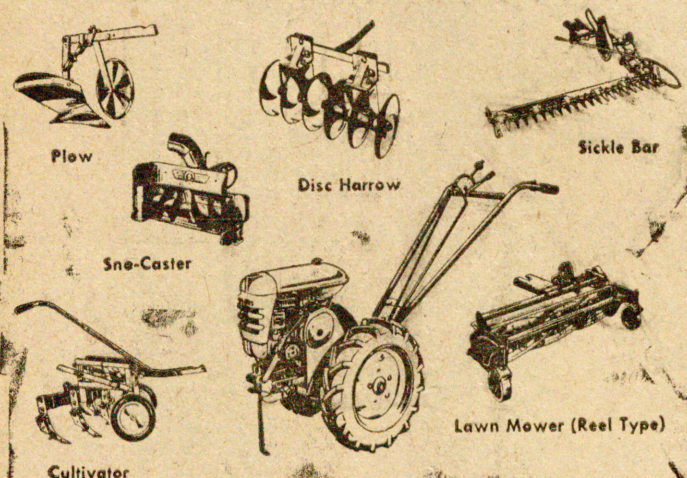

ROTO-BALER is an Allis-Chalmers trademark.

CARD OF THANKS

We wish to extend our thanks and appreciation to our friends, neighbors and relatives for their kind expressions of sympathy extended to us in our recent bereavement in the loss of our father, Earl Reisch; also for the floral offerings, memorium and Mass cards, to Rev. Robert DeMoss for his comforting words, Mrs. Gertrude Thomas for her songs and Mrs. Alma Rauch, pianist.

Children and Grandchildren
Mr. and Mrs. Herman Utne celebrated their 40th wedding anniversary May 20.

Mr. and Mrs. Joseph Schutte are the parents of a baby girl born Wednesday, May 19. She weighed 6 lbs. 12 oz. and has been named Virginia Lucille. Mother and daughter are in Little Company of Mary hospital, and expect to be home this week where they will join the rest of the family in Elgin.

Mr. and Mrs. Jos. Schutte and family and granddaughters, A. J. Toelle, will reside in Elgin for about two months while their new home is being built on 143d street, just west of West ave. They had to vacate their present residence because of an addition being extended to St. Michael's church.

Mrs. Karl Ekberg entertained at a birthday dinner Saturday evening, in honor of Mr. Ivar Benson.

About 50 folks enjoyed the potluck dinner Sunday, after the Family Day worship service at the Orland Park Methodist church.

Mr. and Mrs. Lee Ambrose attended the christening services of their grand daughter, Debra Ann Mueller, Sunday at the Trinity Lutheran church in Oak Lawn. Sponsors were Mr. and Mrs. Ed Hemzacek of Chicago. After the services dinner was served at her parents home. Mr. and Mrs. Ray Mueller at Oak Lawn. Grandparents, Mr. and Mrs. Herman Mueller of Chicago and Mr. and Mrs. Ambrose of Orland and great grandmother, Mrs. Edward Coffey of Springfield. Mrs. Coffey has been visiting her daughter, Mrs. Ambrose for the past month.

William Murphy is still a patient in St. Francis hospital in Blue Island. He would be happy to receive cards from his friends.

The Aunt Jemima Pancake breakfast held Saturday in the Home Economics building, sponsored by the Orland Home Bureau was a success. Some folks came for breakfast and others who came later and called it their lunch period.

Altho the attendance at the American Legion "Games" party May 19 in the new post hall, was not as large as anticipated, the group had an enjoyable evening. There was plenty of home made, cakes and coffee served by the Auxiliary members. The Post plan to have more such parties in the near future, so as to raise funds toward the building fund.

Mrs. Emily Zerbs, poppy chairman for the American Legion auxiliary, Orland Park Unit 526, reports that \$221.72 were contributed in the containers for the memorial poppies. Mrs. Zerbs wishes to express her thanks to all volunteers who stood on the street corners and canvassed the homes, also the business places who helped by having containers in their shops. The Legion and auxiliary share in the proceeds which is used for rehabilitation and child welfare projects.

Mrs. Thomas Cooper had as her guest over the week end, Miss Mary Hobough who is a missionary in Child Evangelism work in Recife, Brazil, South America. Miss Hobough is on a year's furlough and will visit friends in the States.

Judy Kral, daughter of Mr. and Mrs. Joseph L. Kral of Or-

land Park is one of the six young people chosen to attend the Adult training conference at Lake Forest. Miss Kral has recently moved to Orland Park from Chicago, where she was active in Junior Red Cross work at Gage Park High school. She will be a senior student at the new Carl Sandburg High school at Orland Park when it opens in the fall. Last summer Miss Kral attended the Junior Red Cross training session for high school student at Lake Forest Academy.

Henry J. Wolske, 14622 West Avenue, Orland Park, was certificated as a Red Cross first aid instructor recently upon completion of a course taught at the Chicago Red Cross chapter, Roy D. Day, chapter first aid chairman, announces.

Training given by Red Cross first aid instructors covers bleeding control, artificial respira-

tion, transportation of victims, and treatment of fractures, cuts, internal poisoning, burns and frostbite.

The Chicago Motor Club advises that minor, but costly accidents that occur in heavy traffic can be avoided if drivers will

observe these rules. 1. Stay in your own lane. 2. Pace your driving with the traffic flow. 3. Keep your distance behind the next car.

do more work per day... more work per dollar!

You save time in traffic. New truck Hydra-Matic transmission gets you off to smooth, time-saving starts without shifting or clutching. Imagine how easy this makes driving in traffic and on delivery routes! It's optional at extra cost on 1/2-, 3/4- and 1-ton models.

You save time on the highway. New high-compression power gets you up to highway speeds from a standing start in less time, and saves you time on hills, too. You make trips faster—and the new Comfortmaster cab makes them seem shorter. It's got everything!

You save extra trips, too. That's because of the extra load space you get in the new Advance-Design bodies. New pickup bodies are deeper... new stake and platform bodies are wider and longer. Also, they're set lower to the ground for easier loading.

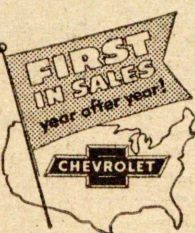

You save on operating costs. High-compression power saves you money! The "Thriftmaster 235" engine,

the "Loadmaster 235," and the "Jobmaster 261" (optional on 2-ton models at extra cost), deliver greater horsepower plus increased operating economy.

You save with lower upkeep. New Chevrolet trucks are built stronger to last longer and save you money on maintenance. There are heavier axle shafts in two-ton models... bigger clutches in light- and heavy-duty models... stronger frames in all models.

And your savings start the day you buy. In fact, they start with the low price you pay—and they never stop. Chevrolet, you know, is America's lowest-priced line of trucks. And it's also the truck that has a traditionally high trade-in value.

Come in and see how much you're ahead with America's number one truck. You'll like the way we're talking business!

BABSON SAYS—

Copyright, 1954, Publishers
Financial Bureau, Inc.

Schools and colleges cannot be divorced from business. In the long run, business has only the kind of leaders and workers that the schools produce. Today many business and educational leaders are expressing concern about the educational product. Free public education appears to be watering down our great tradition of discipline and struggle.

Yet, others say that while we have taught people how to make money, we have failed to teach them how to use it properly. The most damning criticism is that our system is one of education for mediocrity: we pull the bright child downward as we try to drag the dull child upward. This results in a mediocrity of conformity.

President Eisenhower said only last December that he has been "appalled" at the lack of our youth's understanding of "what America is, what are the conditions that could make her fight, and therefore, what are the underlying reasons that could lead that boy finally on the battlefield to risk his life, not just for his property, not just for even what you might call national rights, but for some fundamental values in life."

As businessmen and as educators, we have been unwilling to be clear and coherent about what we want the United States to be. Consequently, the confusion in the schools and among businessmen is getting worse and worse. The Army-McCarthy hearings in Washington are an illustration of this useless confusion.

Since businessmen say our youth are coming to know less and less about less and less, perhaps a research project to determine exactly what our schools do teach might be a starting point. This might be followed by a movement to overhaul courses of study in the light of what research may reveal would best serve the interests of all.

Discipline is a major national need. General S. L. A. Marshall, of the Detroit News, intimates that our soldiers on the Korean battlefield lacked discipline, which had something to do with the way things went in Korea. There are further implications that lack of discipline in our schools contributes to juvenile delinquency and is a threat to our national security.

Are these the real problems or are they the symptoms of a fundamental problem? May it not be that inability to comply with regulations, whether of the Army, the home, or the community, stems from lack of self-mastery? Should not our society develop people with qualities of self-discipline to develop initiative and intelligence?

The teacher shortage is another problem. During 1954, it is indicated there will be a shortage of 72,000 teachers in our elementary schools alone. In the next three years, forty five states will run short of elementary teachers and twenty states will find themselves short of high school teachers. On October 12, 1953, Newsweek reported that "in the past year, 60,000 teachers left the field."

Tie this in also with a New York Times editorial of last August which discusses the Summit, New Jersey, high school teacher who left his \$85 per week teaching job to drive a brewery truck at \$137.50 per week. Obviously, there are some problems here.

Or, for the businessman there are such problem areas as executive development programs; research on personnel selection techniques; problems of industrial morale, diet, and health; union-management relations; more effective distribution of goods—these and a multitude of others should be research and training areas.

I am really writing this column as a "trial balloon" to locate readers who are willing to give time toward a solution. The curse of both education and business today is indifference. Some new non profit organization may be needed to help bring these changes about. I greatly feel the need, but do not know how to bring it about. Suggestions from readers will be appreciated. Address me at Babson Park 57, Mass.

Christian Science Churches

That evil cannot withstand spiritual understanding of God's goodness and all power will be brought out at the Christian Science service on Sunday.

The subject of the Lesson-Sermon is "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced." Biblical selections include Christ Jesus' warning about the mental nature of evil: "For out of the heart proceed evil thoughts, murders, adulteries, fornications, thefts, false witness, blasphemies: These are the things which defile a man:" (Matthew 15:19, 20 to:).

The following passage will be among those read from "Science and Health, with Key to the Scriptures" by Mary Baker Eddy: "Passions, selfishness, false appetites, hatred, fear, all sensuality, yield to spirituality, and the superabundance of being is on the side of God, good" (201:9). "The Golden Text is from Romans: "Be not overcome of evil, but overcome evil with good" (12:21).

Stockley, publicity. Plans were made for the next meeting which will be a family picnic held at Highland Park, June 6 beginning at 3:30. Supper will be served at 6 o'clock. Hot dogs with all the trimmings will be the main feature of the supper. Each is asked to bring a covered dish, and their own table service. This picnic will adjourn the meetings of the first Child Study Club for the summer months. The next regular meeting will be held in September. Miss Mary Frances Kennedy, Red Cross worker was the speaker. A movie was shown on Safety in the Home. It showed that it was the little things of every day life improperly handled that caused accidents. The main cause of children's deaths was not the dreaded disease, we read so much about, but from accidents within the home. There was a discussion on First Aid, and Miss Kennedy showed the group the new artificial respiration method both for the very small children and adults. Other topics of interest were: How to Treat Heat Exhaustion, Heat Stroke, and What to do in case of poisoning. — Mrs. Robert Stockley, Jr., publicity.

Approximately 50 Brownie Scouts from New Lenox Troops 13, 97, 99 and 104 participated in the Brownie Field day at Highland Park in Joliet, Saturday. Several leaders, assistant leaders, and mothers accompanied the girls.

Brownie Scout troop 104 met at the Lions Den May 21, with their leader Mrs. Algot Peterson. Donna Osmus was hostess. Plans were made for the Fly up ceremony which will be held Wednesday, June 2 in the den at 7:30 pm. The ceremony will be held for six girls from Mrs. Peterson's troop 104 and for 13 girls from Mrs. John Olson's troop 97. Parents of the girls are invited to attend the ceremony. Fly ups from both of these troops have been invited to visit Girl Scout troop 90 Thursday, May 27 in the Scout cabin.

All Brownie and Girl Scouts in New Lenox will march in the Memorial Day parade that starts at 10 a.m. from the Oakview school Monday morning.

All Brownie and Girl Scouts of New Lenox have been invited by the management of the show This is Cinerama, in the Palace Theatre in Chicago, to attend the afternoon performance, Wednesday, June 16 at the reduced price of \$1.00. Bus transportation will be provided from Joliet, and if there are enough girls going from New Lenox, a bus will leave from New Lenox at 12:30 noon, and return home at 6 p.m. Bus transportation will be 85c each, and any mothers who wish their Scout daughters to go, are asked to contact their leaders.

Day Camp for New Lenox and Manhattan Brownie and girl scouts will be held June 21 thru 25 at the Camp grounds in New Lenox.

Members of the New Lenox camp of Royal Neighbors, entertained the members of the Mokena camp at their meeting, Tuesday afternoon, May 18, in the Lions den. Salad coffee was served at one o'clock, followed by the regular business meeting. Luncheon was played after the meeting.

Mrs. Edith Sayers has been ill in her home the past several days.

Thirty nine members of the eighth grade class will graduate Friday, June 4 at Commencement exercises to be held in the Haven school auditorium.
